

WELCOME BACK KAMIAKIN STAFF

The Kamiakin Booster Club Clothing Committee is proud to offer you the opportunity to special order Kamiakin items at cost. There are a variety of items, in a variety of colors and sizes. The items can be embroidered with the stylized K design or have Kamiakin Braves embroidered. You can also go through the Atomic Screen Printing on line catalog to check for additional colors and/or items. If you find a special Nike polo, etc, take the price online and add \$5 for embroidery and put the information on the order form. All orders will need to be paid for when placed (please make check payable to Kamiakin Booster Club). We should have the items in about 1 week from your order.

We will also have a variety of others items for sale during lunch on September 9th, September 23rd and October 7th. You can purchase these at cost as well. In order to facilitate easier cashiering at the football games, we ask that staff make their purchases at the school (or contact me and we can get items to you at another time) and not ask for items at different prices at Lampson.

If you have any questions, please give me a call at 948-6102 or send me an email at lisa.mckinney@ksd.org
