### **Note: Please Listen to the Radio**

Sometimes during the winter when there is a lot of snow and/or ice on the ground or there is some other type of inclement weather, school could be delayed (usually two hours) or cancelled. It is your responsibility to listen to the radio stations and/or watch the television stations to find out whether or not school has been delayed/cancelled. You can also find out from the media if any changes have been made to bus routes and times. (KONA AM 610 is a good source)

## **ASSEMBLIES**

Generally there are two types of assemblies held at Kamiakin High School. One type is a pep assembly, which is designed to raise spirit and enthusiasm for the athletic participants at Kamiakin High School. The other type is the enrichment or educational assembly.

Different manners and expectations exist for these different types of assemblies. Remember to use behavior appropriate for the type of assembly that you are attending. Good manners and common courtesy shouldn't fade with the lights. It's easy to sit in a semi-dark auditorium or gym, surrounded by your friends and criticize what you see and hear on stage. While you watch a play, dance, speech, or whatever, try to realize the amount of hard work, rehearsal, and commitment that led to that moment.

Whether you are participating in a pep assembly in the gym where you are supposed to get excited, or attending a drama production in the auditorium where good listening skills are important, you need to exercise the right behavior for that situation. This will make attendance at assemblies enjoyable for us all. **You can miss an assembly for religious reasons, etc. However, you must check in to the office to see where you should spend your time during the assembly.**

### **30-Minute ASSEMBLY SCHEDULE**

"0" hour	6:35-7:30	4 <sup>th</sup> hour	10:56-11:45

## DANCES

Attendance at Kamiakin High School dances is a privilege. The school administration will exclude students who have discipline problems from attending a dance. Students will be asked to present school issued I.D. in order to attend a dance. When admission to a dance is sold at the door, I.D. must be shown at the door. When admission is not sold at the door, but is sold prior to the dance, a student bringing a guest must complete a Guest Pass form for that guest at the time admission purchase, and assumes full responsibility for the conduct of that guest. Only one guest per student is permitted. Guest Pass forms are available at the Kamiakin Activities Office. Plan ahead. If you show up with a guest and no guest pass has been obtained, your guest will not be admitted. All school rules (including AODA policy) are enforced during the dance. Students who are found in possession or consumption of alcohol or illegal drugs will be removed from the dance and your parents and/or the police contacted to come and pick you up. You will also be subject to school disciplinary action, and if you are an athlete, you will be subjected to athletic discipline as well.

Most KaHS dances start at 8:00 pm. No admittance to dances will be allowed after 9:00 p.m. (9:30 for most after game dances) unless written permission has been obtained in advance from an Assistant Principal. All dances will end by 11:00 p.m. Once a student or guest has entered the dance, he/she may not leave and return.

No middle school students or persons over 20 years of age are allowed to attend school sponsored dances.

3. Students use what they read as models for their writing.
4. Students read to make healthy choices about themselves and the world they live in.
5. Students read to have conversations with people they could not talk to in real life.

## **ATTENDANCE**

All absences from school or class must be cleared through the Attendance Office. Students must have absences cleared within 48 hours or they will be considered **truant**. Absences are classified according to the Kennewick School District policy as excused, unexcused, or truant. Office Personnel are available for individual assistance with attendance issues between 6:15 am and 3:15 pm Monday through Friday. The school will contact the student's home by telephone recorder if the student has been marked absent in one or more periods during the school day.

### **EXCESSIVE ABSENCE POLICY**

A letter will be sent home after the **5<sup>th</sup>, 8<sup>th</sup>, and 12<sup>th</sup>** absences in any class notifying the parent and asking that the parents discuss the absences with their student. **This communication is designed to inform parents of their student's absences. In most cases, parents are aware of absence dates and reasons. However, truancy (skipping class) and forged notes can be discovered as a result of the letters and phone calls.** The school will

attempt to communicate with parents by telephone and/or mail when unexcused or unresolved absences occur.

### **Potential Loss of Credit**

On the 12<sup>th</sup> non school-related absence, parents are notified. At this point, a request is made to the teacher(s) to submit the student's grade progress. If the student is passing the class, a conference is held with the student and parent to discuss the importance of attending classes and/or classroom participation requirements. This action may also lead to an attendance contract.

If the student is not passing at the time of the 12<sup>th</sup> non school-related absence in a class and/or school day, the parents and student are notified that credit is being denied. Included in this notification is the process for the parent and/or student to petition for credit reinstatement with the building Attendance Committee. If the recommendation of the Attendance Committee is to deny credit reinstatement, the parent and/or student have the right to appeal the decision to the principal. If the principal denies the reinstatement of credit, the parent and/or student may appeal to the superintendent or designee (Policy #3122).

**Students returning from absences** must have an admit slip prior to entering classes unless participating in a field trip, co-curricular activity, or being assigned to in-school suspension. Students are to report to the attendance office the day that they return to school and pick up an admit slip before returning to class. Students without an admit slip will not be allowed into class. Teachers will ask the student to go to the attendance office to obtain an admit slip. **This includes all absences except school sponsored activities.**

**Students leaving campus** during the day must check out of the attendance office and check back in at the Attendance Office upon returning (unless participating in a field trip or school sponsored activity). Students who do not check out are considered truant and school discipline may be assigned. A parent contact (note or phone call 222-7009) is required for student permission to leave campus. Students may not be checked out of school by anyone other than the parent or legal guardian unless there is written permission from the parent or legal guardian.

### **REQUEST FOR HOMEWORK WHEN ABSENT**

After a student has been absent for at least two days, he/she may call to request homework. **Please contact Mrs. Crockett, 222-7009. The office will contact teachers to request that homework be available by 2:30 the following day.**

## **ATTENDANCE CATEGORIES**

### **EXCUSED ABSENCES**

Excused absences include the following: illness, emergencies with immediate family, short-term suspension, pre-excused medical or dental appointments, school activities, other parental pre-excused absences, or students out of class for security, counseling or administrative activities.

### **UNEXCUSED ABSENCES**

Absences that are not due to illness and are not pre-excused are considered unexcused. Students returning from an absence have 48 hours to verify the absence reason with a note. Absences not cleared within 48 hours are considered unexcused.

### **PRE-ARRANGED ABSENCES**

These include absences for family trips, surgery, etc. To pre-arrange an absence, students must have a signed note from their parents and present it to the attendance office prior to the absence. This facilitates arranging homework and should occur at least three days prior to the absence and three weeks before finals.

### **TRUANCIES**

These are absences from school or class without the knowledge and/or consent of parents and/or the school. Discipline for truancies will include detention, Saturday school, short-term suspension, and/or transfers to an alternative program. The Washington State attendance law, known as the Becca Bill, requires all schools to report excessive truancies to the Juvenile Justice Center for legal action. The school will contact parents by phone and letter to notify them of student absences and to make an attendance intervention plan if appropriate.

### **TARDINESS**

Students have five minutes to get from class to class. Arriving to class after the tardy bell is considered tardy. Arriving to class more than ten minutes late is considered an absence. Students are expected to be to class on time each day. Students with excessive tardies will be referred to an administrator for discipline. Discipline can include: lunch detention, after school detention, Saturday school, and/or in-school suspension. Sleeping in late, the alarm not working, missing the bus, "Mom didn't wake me up", and staying up late are considered unexcused tardies.

## STUDENT GUIDELINES

Each Kamiakin student automatically becomes a citizen of our school, receiving both privileges and accepting responsibilities. Students are expected to know their responsibilities as well as their rights. They are subject to discipline for violations occurring at school, on school district property, at school-sanctioned events, during the school day regardless of location; or when riding on school district buses.

Kamiakin students are expected to conduct themselves in a manner that promotes a proper learning environment and reflects positively on themselves, their classmates, parents, teachers, and community. Complete discipline details are available in the Kennewick District Policy book available at the Attendance Office. Below is a summary of responsibilities and expectations:

- **RESPECT OF PROPERTY:** Kamiakin is a clean, neat environment. Students should refrain from marring walls, desks, bathrooms, or other school property. Posters may be displayed only with Activity Office permission.
- **RESPECT FOR AUTHORITY:** All Kamiakin staff are responsible for monitoring and correcting student behavior. Students must show respect, follow directions, and identify themselves and their activity when asked.
- **RESPECT FOR OTHERS:** Kamiakin seeks a positive school experience for all students. Students should show courtesy and tolerance for all and avoid put-downs. Harassment and/or bullying of any type will not be tolerated and must be reported to school authorities.
- **RESPECT FOR YOURSELF:** Kamiakin's goal is for all students to be successful and reach their full potential, have good attendance, and...

**“BE THE BEST YOU CAN BE”**

### **KENNEWICK SCHOOL DISTRICT CODE OF STUDENT CONDUCT POLICY:**

It is the intent of the Kennewick School District to provide a safe, productive, positive, and disruptive-free classroom and learning environment. The following rules of conduct are to be observed while on school property, during or

immediately before or after school hours, at any time the school grounds are being used for a school activities or events, or while attending school activities or events off the school grounds. Conduct violation is subject to corrective action or punishment.

Kamiakin High School uses a progressive discipline structure, moving through a series of graduated discipline steps. Serious offenses or repeat offenders may be assigned discipline which skips over progressive discipline steps. Definitions of commonly used discipline terms are explained below. They are listed in progressive order:

**Teacher Discipline:** Taken care of by teachers, may include parent conference, detention, etc.

**Short-Term Suspension:** Student is barred from attending school or school activities for up to 10 school days.

**Detention:** Assigned school service which is done at lunch or after school and supervised by KaHS staff.

**Long-Term Suspension:** Student is barred from attending school or school activities for a defined number beyond 10 school days.

**Saturday School:** Assigned three hour school service which is a combination of campus clean-up and study. Supervised by security.

**Emergency Expulsion:** Student is immediately removed from school for reasons of safety or danger.

**In-School Suspension:** Restrictive study hall assigned to keep students in a school environment but out of class.

**Expulsion:** Student is permanently barred from attending school or school activities. A hearing is required for re-admittance.

Any item used with the intent to threaten and/or intimidate another person would be considered a weapon.

Blunt or heavy objects used or displayed during a fight will be considered a weapon for purposes of enforcing this policy.

Weapons use, transmission or possession shall result in emergency expulsion by building administrators. The expulsion shall continue until appropriate investigation has been made by school and law enforcement authorities. Students are to contact an administrator immediately if any of the above weapons are known to be at school. A student who brings a handgun or explosives to school or school sponsored events will be expelled for one calendar year.

6. Narcotics, Alcoholic Beverages and Stimulant Drugs: A student shall not knowingly possess, use, distribute, be under the influence of, or show evidence of having used any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage or intoxicant of any kind.

All violations are subject to suspension and/or expulsion and the police will be contacted.

7. Cigarettes, Cigars, Tobacco: It is illegal for students to purchase, possess, or use cigarettes, cigars, chewing tobacco or tobacco of any kind. 1. Athletic Participation: Involvement in athletics (including cheer leading and dance team membership) is a privilege for Kamiakin students. Athletic participation requires A.S.B. membership, completion of the required athletic participation procedures (including parental permission, passing a physical examination, and a willingness to abide by the Athletic Handbook), and the maintaining of a 2.0 grade point average.

In-season athletic training rules prohibit the use of tobacco products, alcohol, illegal drugs, and other illegal substances at any time during the season. Sanctions range from loss of playing time to permanent exclusion from athletic participation. A complete outline of the athletic policy and expectations is available in the Athletic Office.

2. Building Conduct: Students on campus and in hallways are expected to be quiet and not disruptive. Food and beverage machines are available for student use. They are located in the cafeteria, jock hall, and locker rooms.
3. Closed Campus and Leaving Campus: Kamiakin High School is a closed campus to protect students and staff from intruders. This means, other than during lunch, students cannot leave the school grounds once they have arrived (even before classes have begun or after lunch) or enter the campus grounds when absent without checking in at the Attendance Office.

During the regular school day, off-limit areas include the parking lots, the area north and east of the main buildings, and the playing fields.

Leaving campus without parent permission is truancy and subject to disciplinary action. Students who wish to leave campus for any reason are required to check out through the Attendance Office once their school day has begun. Students must follow this procedure once they have entered the campus.

4. Computer Use: Student use of school computers is to occur only under the authority of school personnel. A student who engages in the unauthorized use of equipment, software, and Internet services will receive school discipline. A student who damages, misuses, or steals equipment or software will also be disciplined and fined.
5. Dangerous Activities: Students are expected to refrain from behavior which endangers persons or school property. Examples of dangerous activity include but are not limited to the following: skateboarding on campus, playing with matches and lighters or starting fires, running in hallways, and throwing

objects (including water balloons and food). Such behaviors are subject to school discipline.

6. **Dress** Our dress standards are designed to train students for the transition from school to career. Attire that is appropriate for the traditional “workplace” setting is likely to be appropriate for school. Clothing must be modest and without indecent exposure, vulgarities, sexual connections, or drug/alcohol/tobacco references. It must be conducive to learning, orderliness, and safety. In addition:
- Shoes must be worn. Slippers are not allowed. Flip flops are allowed.
  - Tops must cover the chest (no cleavage showing), belly, sides, and midriff.
  - Tops that are backless, have only one sleeve/strap, or have spaghetti straps are not allowed. Shirt straps must be at least two (2) inches in width.
  - Undergarments, including bra straps and waistbands, must not be visible.
  - Sagging pants or extremely oversized clothing are not allowed.
  - Hats, “do-rags”, bandanas, and other head wear are not allowed.
  - Dresses, shirts, and shorts must be no shorter than mid-thigh in length.
  - Pants must be worn at the waistline. Pants, sweat pants, skirts, or shorts may not be folded down, exposing the midriff.

Any behavior, clothing, or communication (including but not limited to graffiti, hand signs, colors or inscriptions, hats, “do-rags,” belts, or chains) associated with disruptive behavior or creating a threat to individuals or their safety is forbidden and subject to school discipline. Teachers, staff, and administration will determine whether or not the dress code standards are being met. Students who do not meet the dress code standard will be asked to adjust their clothing or phone home and have a parent bring appropriate clothing for the student.

The following excerpt is from KSD Policy # 3224-

In order to maintain adherence to the student dress policy, students may **not** wear the following:

- Overly baggy clothing
- Overly tight clothing
- Head coverings, e.g., hats, caps, etc.
- Shorts and skirts shorter than mid-thigh in length

Clothing that reveals the back or midriff, or through which skin and/or undergarment is visible, or when arms raised becomes visible. These may include, but are not limited to:

- Boxers

- Sheer tops
  - Mesh tops
  - Overly large openings at the neck or arms
  - Off the shoulder tops
  - Spaghetti straps
  - Halter-tops
  - Tube tops
  - Swim tops
  - Clothing that exposes the midriff
  - Clothing or accessories with offensive pictures, symbols or sayings. These include, but are not limited to:
    - Demeaning statements
    - Violent statements
    - Sexual statements
    - Racial statements
  - Attire or accessories which identify affiliation with movements, groups, or values inconsistent with or that detract from the academic environment including, but not limited to:
    - Any gang affiliated clothing
    - Extreme gothic clothing
    - Sexually provocative clothing
    - Clothing with attached excessive chains, cords, straps, etc. (bondage clothing)
  - Clothing that advertises or promotes tobacco, alcohol or other drugs.
  - Jewelry or accessories that could be used to cause harm or injury.
- A good general policy regarding the dress code is: If there is ANY QUESTION about an item being inappropriate, DO NOT WEAR IT.**

7. Identification Cards: All students are required to carry their student identification card (provided by the school at registration) while on campus or at school sponsored activities. Students are required to give their card to school authorities for identification needs. **Students who are not able to identify themselves on campus with their student ID card may be subject to school discipline.** ID Cards are also required to check out materials in the library and attend school activities, games, and dances.

8. Lockers: Locker use is a privilege which may be revoked if abused. Sign-up is at the beginning of the school year. Students may use only the locker assigned to them. To protect personal possessions, students should keep combinations confidential and the locker locked at all times.

Students assume all risk and responsibility in the use of lockers. Students should not bring valuables to school or put valuables in lockers. The school is NOT responsible for articles lost or stolen from lockers. Students should report thefts to the security office immediately.

Students should treat lockers with care and keep them neat and clean. Locker problems need to be reported immediately to the Office for custodial repair.

Lewd pictures, illegal substances, or materials in poor taste may not be kept or displayed in lockers. A student may not mark or damage lockers. This will result in a fine and/or discipline.

Lockers are the property of the Kennewick School District. School officials are given the right to open the locker for the purpose of inspection, repair, or search.

9. Medication: It is against school district policy (R3416.1) for parents to send prescription drugs with their students to school. Please consult physicians to help in this matter. If medication must be taken at school, contact the school nurse first at 222-7003.

Information in student school health records may be shared with school personnel on a need-to-know basis to protect the student's health, safety, and educational interests. This will be done at the discretion of the school district's certificated nursing staff. If parents do not want this information to be shared, they must notify the school nurse in writing.

A student who distributes his/her prescription to others or a student who receives a prescription drug that is not their own will be in violation of district policy #3314 and will be subject to school discipline.

10. Off-Campus/Open Period Expectations: Students may select schedules which enable them to arrive after school starts or leave prior to regular dismissal time provided they are enrolled in five classes (2.5 credits) each semester or have been approved by an administrator to have fewer than five classes. Students need to arrange their schedule so that the open period(s) occur at the beginning or end of the day. Off-campus privileges must be requested by parents and approved by administration. Expectations are that students with these privileges are OFF CAMPUS.

Off-campus/Open period students who abuse the privilege will be subject to school discipline, including permanent assignment to restrictive study hall. All other schools or school district property is off-limits to students with off-campus/open period privileges unless specifically invited to be on those properties. Students who withdraw from a class after the withdrawal deadline will be placed in restrictive study hall. They may not have off-campus/open period passes.

11. All Electronic Devices: To preserve an appropriate learning environment radios, CD players, MP3 players, cellular phones, etc., may not disrupt learning. **Cell phones must be turned off during class time.** If they are used in classes, they may be confiscated.
12. Fines: Fines to replace lost or damaged materials are assessed to students. Report cards, transcripts, and diplomas will be withheld until either the fines are paid or the materials are returned or repaired.
13. Profanity: Students shall refrain from using foul language on campus and at school sponsored events. Progressive discipline will apply.
14. Student Pedestrian/Driver Expectations: Pedestrians: Traffic on and about campus is frequently heavy and dangerous to walkers. Students are expected to obey all pedestrian laws, walk on the sidewalks, and cross streets in a safe manner at corners or cross-walks.

Specifically, students crossing Metaline Ave. to campus from the parking lot are expected to use the marked cross-walk. Also students going to Albertson's shopping center are expected to use the signaled cross-walk at Edison and Clearwater streets. Violators will be subject to school discipline and/or police citation.

Students are expected to drive in a safe, responsible manner that does not endanger pedestrians or other vehicles. Students are not to ride in the open beds of pick-up trucks.

15. Student Parking: Parking student vehicles on KAHS property is a privilege obtained through meeting certain requirements. In order to park legally on the premises, vehicles must be registered, have a parking permit properly displayed (which may be purchased in the office), and be parked in the designated STUDENT PARKING areas. Vehicles must also comply with the policies established by Kamiakin High School, Kennewick School District, The City of Kennewick, Benton County, and the State of Washington. Parking permits cost \$10 dollars and may be purchased in the activities office. On campus parking availability is first-come-first-served.

Student parking is located on 3 lots around the KaHS campus. One lot is located on the south end of the track, another is located at the northwest end of the West gym, next to the tennis courts. The third lot is located across the street from the tennis courts on Metaline Ave. and is surrounded by cyclone fencing.

In the event of heavy rainfall, the parking lot located across the street from the tennis courts (a.k.a. cage lot) does occasionally flood causing part of the parking area to be inaccessible. In the event that this may happen, students

can temporarily park in the gravel area east of cage lot until the flooding subsides.

Registering your vehicle for parking indicates an implied understanding of the policies and consequences of improper or unauthorized parking violations. A fine of \$20 dollars will be assessed for improperly parked vehicles as well as school discipline for each violation. Parking fees will be reduced 50% if fines are paid within 24 hours. You may pay parking fines in the Activities office. Cars may be towed if they block emergency vehicle access, or if the students parking illegally are habitual offenders. Kamiakin High School and the Kennewick School District assume **NO LIABILITY** for theft or damages to vehicles parked in KAHS property. **Remember, parking is on a first-come-first-served basis.**

Vehicles parked on KAHS property may be searched at any time if school authorities have reason to suspect that the vehicle contains weapons, illegal substances, or stolen goods. Students are required to report all thefts, accidents, or damages to security immediately for investigation.

16. Telephone Use: There is a student phone for use in the attendance office.
17. Visitors: Student visitors are not permitted to attend classes with friends or relatives at Kamiakin High School. This includes infants and small children. For the protection of our students, all persons visiting campus (students and adults) on official business must register in the main office.
18. Inappropriate Display of Affection: Students may not engage in any inappropriate displays of affection. A student engaging in this activity may receive school discipline.
19. Dances: Students are expected to dance appropriately at all Kamiakin dances. A student who has been warned once and continues to dance inappropriately will be asked to leave the dance.
20. Library Use: The library is open for all students to use before and after school and during lunch. Computers are for educational use. Games, music, emails, etc. are not considered educational use. Food and drink are not permitted in the library or labs (this includes water). Cell phones, headphones, pagers, and CD players may not be used in the library or the computer labs.

5. Consequences for violation of the sign policy include:
